

# Showcase your Expertise by Becoming a Workday Pro

Our customer accreditation program, Workday Pro, is designed to train and recognize customers who have extensive Workday knowledge.

## Unlock the benefits of becoming a Workday Pro

In addition to product expertise, Workday Pros receive:

Access to the Workday Touchpoints Kit.

Update training with each Workday release.

Membership to a private collaboration group.

### And the best part?

These benefits come at no additional cost to you or your organization once you've become a Workday Pro.

## Select a track that's right for you

Organized into tracks by product area, Workday Pro allows you to focus on the training that best suits your skills and your organization's needs.

Adaptive Planning

HCM

Financials

Reporting

Integrations

Student

Security

## You've earned it. Now share it!

Once accredited, broadcast your achievement to get the professional recognition you deserve with a **Workday Pro digital badge** to demonstrate your expertise and advanced abilities.

## Harness the full power of Workday with Workday Success Plans

Complement Workday Pro with tools and expertise that help you take the lead in growing your business success using Workday.

Subscribe to Workday Success Plans to waive your Workday Pro enrollment fee.

## Get started on your Workday Pro journey

Whether you're live or just beginning your initial deployment, Workday Pro will provide you with the skills and knowledge necessary to make the most of Workday.
